

EVP, Chief Financial Officer

Terry Hungle

Terry is the Chief Financial Officer for Mavenir, responsible for all financial operations and processes within the company. Previously, he was the Chief Financial Officer for Imagine Communications Corp. where he was responsible for the day-to-day oversight of Imagine's financial operations and planning. He has over 40 years of business experience, principally in telecommunications. He served as the Chief Financial Officer at Mitel Mobility Inc. (formerly known as Mavenir Systems, Inc.) from April 2008 through April 2015. He served as the Chief Financial Officer of Navini Networks, Inc. and prior to Navini, Terry also served as Vice President of Corporate Planning with Spatial Wireless Inc., where he led the successful merger transaction with Alcatel.

Prior to Spatial, Terry successfully held a number of senior finance and controllership positions, both domestically and internationally, including that of Chief Financial Officer for Nortel Networks Corporation, where he has guided and supported business growth and development, defined business structures and led projects that improved overall liquidity of Nortel Networks, in operations and capital structuring. He began his finance career with Peat, Marwick Mitchell, Chartered Accountants and Imperial Oil Limited, both in Canada.

He has served as a valued member of various boards of directors and sub-committees. He serves as a Member of Advisory Board at Centina Systems, Inc. and Orchestra Technology. Terry holds a Diploma in Accountancy from Saskatchewan Polytechnic in Canada and is a Chartered Professional Accountant (CPA).
