

## International CTO at Mavenir

### Ian Pattison

As International CTO of Mavenir, Ian is responsible for developing and communicating Mavenir's technology and product strategy in the EMEA and APAC markets.

Ian has more than thirty years of experience in mobile telecommunications and high availability distributed systems. Prior to joining Mavenir, he was the CTO of 724 Solutions before becoming Chief Architect at Mobixell Networks. Having started his career developing signaling stacks for the 5ESS at AT&T/Phillips, Ian went on to be a member of Tandem's High-Performance Research Center (HPRC). Ian holds an Honors Degree in Computer Science from Heriot-Watt University and multiple patents.
