

SVP, GM, Multimedia Business Unit

Brandon Larson

Brandon Larson is the Senior Vice President and General Manager of Mavenir's Multimedia Business Unit. He joined Mavenir from Tango Networks, where he served as their Chief Strategy Officer. He is also a former employee of Mavenir, having previously run the Sales Engineering organization for the America's region where he was instrumental in many key Mavenir projects including the world's first IMS VoWiFi, VoLTE and RCS 5.0 service launches.

Brandon has a diverse experience having held roles in sales, marketing, product line management and program management in his previous companies, Nokia and Ciena.

Brandon started his career as a Nuclear Engineering Officer in the United States Navy. He is a graduate of Navy Nuclear Power school and received his nuclear engineer certification from the Department of Naval Reactors. He received a Bachelor of Science degree in Chemical Engineering with High Honors from Rutgers University.
