

RAMNIK KAMO

EVP, Corporate Group, CIO and CPO

Ramnik Kamo leads Mavenir's Corporate Group and serves as Mavenir's CIO and CPO. In this role, he is responsible for leading Mavenir's Corporate Functions: Information Technology, Human Resources, Marketing, Quality, Supply Chain, Sourcing, Procurement, Manufacturing, Real Estate and Travel.

Prior to this role, he was Mavenir's EVP Global Operations and CIO leading Customer Delivery and Support Services. Prior to Mavenir, Ramnik led Global Operations and Services for Mitel Mobile. He joined Mitel from Imagine Communications where he held Chief of Staff and CMO positions. Prior to Imagine Ramnik was SVP, Product Management at Genband, where he launched the company's first and pivotal enterprise cloud services and SaaS business and ran it as its General Manager.

Ramnik has also held numerous leadership positions at Nortel and served in various countries, markets, and product verticals. Ramnik is an electronics and communications engineer with 2 MBAs. Additionally, Ramnik is a certified Lean Six Sigma Master Black Belt.
